TMMC MISSION

Toyota will lead the way to the future of mobility, enriching lives around the world with the safest and most responsible ways of moving people, taking into consideration our four stakeholder groups.

TMMC LOGO

The TMMC corporate logo was trademarked in 1989 and is symbolic in several ways. It features the stylized letters "C" on the left and "J" on the right. These letters refer to Canada and Japan, facing each other and forming a peak together that is higher than each individually.

It further symbolizes Toyota's philosophy of mutual trust between Team Members and the company – **the only route to mutual prosperity and progress.**
