CORPORATE GIVING PROGRAM

Community Carpool

We know by supporting our local not-for-profit and charitable partners, we're driving change and empowering others to do more. That's why we aim to invest in programs and initiatives that **provide our communities with the tools and resources to grow and thrive.**

Toyota Motor Manufacturing Canada (TMMC) has several streams of giving.

This document outlines the focus areas and guidelines for regular donations and sponsorships. These donations and sponsorships can range **from just a hundred dollars to several thousand dollars.**

PROGRAM FOCUS AREAS

This program is focused on organizations that support the following pillars:

- Human Services
- Community
- Education
- Environmental Sustainability
- Arts & Culture
- Health & Wellness

Requests that impact large numbers of people, are innovative or show continuous improvement, and exhibit clear, measurable goals and objectives are prioritized.

DRIVE YOUR SUBMISSION SUCCESS

Things we're looking for in your submission:

- Must be a registered Canadian charity or not-for-profit organization.
- Must be an organization with local presence (in or around Waterloo Region and Oxford County – where our manufacturing facilities are located.)

FUNDING RESTRICTIONS

Through this program, TMMC does not fund:

- Individuals
- Private schools
- Operating costs
- Individual teams
- Travel costs
- Religious, political or labour organizations

PROCESS

- Complete the request form <https://forms.office.com/r/6n7Twbz6WL>
- Additional information or sponsorship package can be sent to communications@tmmc.ca
 - Quality over quantity is appreciated
 - Clearly state your organization's purpose and what you are requesting
- Requests are reviewed monthly by the Donations Committee. Please give 6 – 8 weeks for review and response.
- Every request will receive a response.
